

2013 UK SPORT DIVER MEDICAL FORMWebsite: www.uksdmc.co.uk

Diving Training should not be undertaken until the candidate has completed this Medical Declaration or had a Medical Examination confirming fitness to dive.

Fees for countersignature of this form or for a medical examination are the responsibility of the diver.

NOTES TO DIVER

It is necessary for members of the above organisations to complete this form annually on renewal of membership. Exceptional fitness is not essential; both men and women can dive safely provided they are reasonably fit. Sport diving can at times involve heavy physical exertion. Moreover, recreational diving in the UK is carried out in what can occasionally be a cold, dark and hostile environment and it entails responsibility for the safety of other divers. If you have any queries then please contact a medical referee (listed on the website above).

After completing the questions below please follow the instructions overleaf.

IMPORTANT – FAILURE TO DECLARE A MEDICAL CONDITION COULD INVALIDATE YOUR INSURANCE.

FULL NAME (BLOCK CAPITALS)

DOB:

Diver Medical Health Questionnaire

	YES	NO
Have you ever suffered at any time from diseases of the heart and circulation including high blood pressure, angina, chest pains and palpitations?		
Have you ever had chest or heart surgery?

IMPORTANT - if you have answered yes to any question please give details below.

.....

IMPORTANT - Please read these instructions carefully then fill in your, name, address and contact telephone number/email and then sign below

Divers answering “No” to all questions should complete and sign this declaration, deleting answer b), hand the original copy to your Diving Officer and retain a copy with your Qualification Record Logbook for reference purposes.

Divers answering “Yes” to any question or are unsure on any area should delete answer a) and sign. They must then seek advice from a Medical Referee. Please be aware that many referees are in other full time employment so allow a reasonable amount of time for your enquiry to be processed.

- From a telephone call or email enquiry, the Medical Referee may only need to endorse this form on your behalf. Please take a copy of this form and send the original to the Medical Referee, together with **the required fee and a stamped self-addressed envelope**. When returned to you hand the original of this form to your Diving Officer and retain a copy with your Qualification Record Logbook for reference purposes.

- The Medical Referee may require a statement from your GP and/or to see you for an examination and if you are found fit to dive, they will give you a completed **Certificate of Fitness to Dive** with an expiry date or a statement that further medical assessment is not required. You should attach a copy of the Certificate of Fitness to Dive to this form and hand it to your Diving Officer. Ensure you retain the original of the Certificate of Fitness to Dive (you may need to provide copies for future annual declarations) with a copy of this form with your Qualification Record Logbook for reference purposes.
